An adjustment to cost, delivery schedule or other terms shall be mutually agreed upon by the Parties. Liquid Robotics reserves the right, for international shipments, or based on Liquid Robotics' assessment of Customer's financial condition or payment record, to require payment in advance or to require Customer to obtain an irrevocable letter of credit. Any amount remaining unpaid thirty (30) days after the date of Liquid Robotics' invoice will accrue interest at the rate of 1½% for each month or fraction thereof that such amount is overdue, or the highest interest rate permitted by applicable law. Customer will reimburse Liquid Robotics for all reasonable costs and expenses incurred (including reasonable attorneys' fees and other legal costs) in collecting past due amounts owed by Customer. Payment obligations hereunder are non-cancelable and any sums when paid are non-refundable. Liquid Robotics hereby reserves and Customer hereby grants to Liquid Robotics a purchase money security interest in the Products sold and the proceeds thereof until Customer has paid the total amount invoiced by Liquid Robotics for the Products. Customer agrees to execute any financing statements or other documents as Liquid Robotics requests to protect Liquid Robotics' security interest.

7. **Inspection and Acceptance**. Professional Services shall be deemed accepted upon completion. Customer may, at least ten (10) business days prior to the Shipment Date, inspect the Products at Liquid Robotics' designated facilities for acceptability. Products shall be deemed accepted by Customer upon delivery unless Customer provides Liquid Robotics written notice of material nonconformance within three (3) days of delivery. Any defects in material or workmanship of Products shall be repaired under the Warranty in Section 11. Customer may return Products to Liquid Robotics only upon Liquid Robotics' prior written authorization.

8. **Shipment and Delivery Delays**. Within a reasonable time after Customer's acceptance of Seller's Quote, Liquid Robotics will provide Customer a written estimated shipment date for Products ("Shipment Date"). If Customer does not accept the Shipment Date, Customer's sole and exclusive remedy is to terminate the Seller's Quote in writing within five business days of receipt from Liquid Robotics. If Customer accepts the Shipment Date, or does not respond within five (5) business days of its receipt thereof, the Shipment Date, will become part of the Seller's Quote and the Contract. Customer acknowledges that Shipment Dates are estimates only. Liquid Robotics will make reasonable efforts to meet the scheduled shipment dates, but in no event will Liquid Robotics be liable for any loss, damage, or penalty resulting from any delay in shipment or delivery, nor will the carrier be deemed an agent of Liquid Robotics. 10. Taxes.

10.1. U.S. Taxes. The prices stated are exclusive of any federal, state, municipal, or other government tax that may be imposed upon the production, storage, sale, transportation, or use of the products described herein. Buyer shall pay all taxes applied directly to the sale and levied prior to shipment from Seller's facility, or in lieu thereof, Buyer shall provide a tax exemption certificate acceptable to the taxing authorities. Unless a state issued tax exempt certificate is presented at the time of order placement, sales tax will be applied when shipping Products to the following states: AL, AZ, CA, CO, FL, GA, IL, IN, KY, MA, MD, MI, MN, MO, NC, NJ, NY, OH, PA, SC, SD, TN TX, UT, VA, WA, and WI. The U.S. Government is not taxable in any state. If taxable, Buyer shall include amount and percentage on Buyer's Purchase Order.

10.2. Non-U.S. Taxes. Contract price will exclude, and Seller will not be required to pay, any present or future non-United States of America taxes, duties, fees, levies, bonds, charges, contributions, or any other such fiscal burden related to the execution and performance of this Contract, imposed by any jurisdiction other than the United States of America including any political subdivisions thereof.

10.3. For the purpose of this Article 10, "Taxes" are defined as including, but not limited to, the following: income taxes, withholding taxes, branch profits, goods and services taxes, value added taxes, gross receipts, excise taxes, sales and use taxes, ad valorem, property, employment, social security, stamp duties, tariffs, import duties, as well as customs duties and all other duties and charges of any kind imposed by, or payable to, the authorities, instrumentalities, or agencies (including any related interest or penalties thereon).

10.4. Buyer will be responsible for payment of all taxes duly levied by any taxing authority other than the United States of America including any political subdivision thereof.

10.5. In the case of a withholding tax imposed on payments to Seller, Buyer shall withhold the appropriate amount of tax and forward this amount to the appropriate tax authorities on behalf of Seller. If any payments to Seller under this Contract are subject to withholding tax, Buyer shall pay to Seller such gross amount that after payment of withholding tax, would result in the receipt by Seller of any and all payments due Seller specified in the Contract exclusive of

COMMERCIAL TERMS AND CONDITIONS

taxes (i.e., Seller will receive as net payments the full Contract price specified in this Contract regardless of the amount of withholding taxes paid).

10.6. Buyer shall provide Seller with official tax receipts certificate evidencing payment of such a withholding tax.

10.7. To the extent effort under the Contract is exempt from value added tax, goods and services tax, or other taxes, Buyer shall assist Seller with obtaining appropriate exemptions. Failure to obtain and/or meet requirements of such exemption will result in the charging of value added tax at the standard rate.

10.8. The Contract price shall be increased by the amount of any after imposed tax or of any tax or duty specifically excluded from the Contract price by a provision of this Contract that Seller is required to pay or bear, including any interest or penalty, if Seller states in writing that the Contract price does not include any contingency for such tax and if liability for such tax, interest, or penalty was not incurred through Seller's fault, negligence, or failure. After imposed tax means any new or increased tax or duty, or tax that was exempted or excluded on the Contract date but whose exemption was later revoked or reduced during the Contract period of performance, other than excepted tax, on the transactions or property covered by this Contract that Seller is required to pay or bear as the result of legislative, judicial, or administrative action taking effect after the Contract date.

11.1. Limited Hardware Warranties. Subject to the limitations and restrictions herein, Liquid Robotics warrants that the Hardware shipped to Customer under this Contract will be materially free from defects in materials and workmanship for a period of 365 calendar days from the Shipment Date (the "**Warranty Period**"); and will materially conform to, and materially perform in accordance with, the functional specifications specifically set forth in the Seller's Quote, under normal use and operation and subject to the limitations and Excluded Failures set forth in Section 11.3 herein (the "**Limited Hardware Warranty**"). The Limited Hardware Warranty does not apply: (i) to any Software; (ii) Software Services; or (iii) Professional Services; (iii) to any third-party equipment, components, or other technology included in or provided with the Products, provided, however, that Liquid Robotics agrees to pass-through any warranties offered by the suppliers of such third-party technologies to the extent such warranties are possible to pass through at no cost to Liquid Robotics; or (iv) if any maintenance or service on the Products is performed by anyone other than Liquid Robotics or technicians that have been certified by Liquid Robotics in writing.

11.2. Limited Services Warranties. Liquid Robotics warrants that the Professional Services will be performed in a good and workmanlike manner consistent with applicable industry standards. The limited warranties will not apply to any non-conformities or failures caused by: (a) accident, collision, neglect, abuse, or misuse, including but not limited to Customer's failure to comply with the maintenance and service

COMMERCIAL TERMS AND CONDITIONS

requirements and guidelines that are set forth in the User Manual; (b) use of the Products with any equipment or software not furnished by Liquid Robotics; (c) Customer's use of the WGMS; (d) any payload added by Customer; (e) alteration or repair of the Products by anyone other than Liquid Robotics (including, but not limited to, integration of sensors or other payloads or Product Customizations); (f) Iridium, Internet, or other communications network failures or disruptions; or global positioning system, or other localization system failures or disruptions; (g) damage to the Products caused by (1) biofouling or other normal wear and tear caused by exposure to marine conditions and weather or (2) Professional Services that are performed in accordance with Customer's instructions; (h) use of the Product in combination with any third-party devices or products that have not been provided by Liquid Robotics or (i) Acts of God (any of the foregoing an "**Excluded Failure**"). LIQUID ROBOTICS WILL HAVE NO LIABILITY FOR ANY LOSS OR DAMAGE RELATING TO THE EXCLUDED FAILURES SET FORTH IN THIS SECTION.

12. Hardware Warranty Process. Customer agrees to promptly notify Liquid Robotics customer support by telephone or email as described in the Wave Glider User Manual, of the nature of any alleged failure or defect, and cooperate with Liquid Robotics customer support to determine if the affected part or portion of the Products can be repaired or replaced at Customer's location by Customer personnel. If authorized by Liquid Robotics (by obtaining a return authorization from Liquid Robotics) Customer agrees to promptly return the affected part or portion of the Products (as directed by Liquid Robotics customer support) to the location designated by Liquid Robotics. Liquid Robotics will examine the affected part or portion of the Products at the designated location to determine to Liquid Robotics' satisfaction whether the alleged non-conformance, failure or defect actually exists, is in breach of the Limited Hardware Warranty herein, and if the cause of such non-conformance, failure, or defect is within the limitation described herein. Liquid Robotics shall have a reasonable time to make repairs or replace such affected part or portion of the Products that fail to conform to the Limited Hardware Warranty. Any part or portion of the Products repaired or replaced under the Limited Hardware Warranty shall be warranted until the termination of the Warranty Period. If Liquid Robotics determines the Products are not in breach of the Limited Hardware Warranty, Customer will pay Liquid Robotics all costs of shipping, handling, inspection and repair. Customer agrees that replacement parts utilized in warranty services may be new, remanufactured and/or refurbished. All replaced parts or portions of the Products shall be the property of Liquid Robotics, on an exchange basis. Liquid Robotics shall not be responsible for Customer's or any third party's software, firmware, information, or memory data contained in, stored on, or integrated with any Product returned to Liquid Robotics for repair, whether under warranty or not. Any unauthorized modifications by Buyer, or Buyer incorporation of Sensors not authorized by Seller, shall void the above warranty. Any Hardware assembly, disassembly, operation, launch, recovery, installation, de-installation, or maintenance, by anyone other than by Seller, or authorized repair service certified by Seller, shall void the above warranty.
