LIQUID ROBOTICS
A Boeing Company

Price List

Version: Q4 2026

Table of Contents

1. Wave Glider (Fully Configured)
   - SV3
   - SV5
   - SV6
2. Wave Glider (Standard Hardware)
   - Float
   - Umbilical
   - Sub
   - Thrudder
   - Mast
3. Compute & Power
   - CCU
   - Aux. Power Unit
   - AMPS / PDC
   - Solar Panel
4. Hardware Components
   - Bulkhead Connectors
   - Cables
   - Dummy Plugs / Fasteners
   - Lightbar
5. Sensors
   - ADCP
   - CTD
   - Fluorometry
   - Wave Height
   - Weather Station
6. Payloads
   - Payloads
   - Maritime Domain Awareness
7. Communications
   - AIS
   - Antennas
   - Iridium
8. Command & Operate
   - WGMS
9. Services
   - Labor
   - Mission & Support Services
   - Training
10. Leases
11. Servicing Hardware
    - Maintenance
    - Launch & Recovery
    - Stands & Crates
    - Spares
12. Integration Enablers
    - Developer Kits
    - Tow Cables & Tow Bodies
    - Winch

LIQUID ROBOTICS
A Boeing Company

PRICE LIST – LIQUID ROBOTICS, A BOEING COMPANY

Version: Q4 2026

Product Type	Product Code	Product Name	List Price	Product Description
1. Wave Glider (Fully Configured)				
Wave Glider SV3 (Fully Configured)	11230-02	Wave Glider SV3 Block 3 (8 meter Umbilical) WX & Cell, Rapid Stand & Crate	$410,000.00	Includes a high buoyancy float, Command & Control Unit (CCU) 4G, 75 watt solar panels, 8m umbilical, sub, Painted Thrudder 3.0 charge & debug kit, misc hardware, and Pelican case. Configurations includes a weather station (configurable lights), cell antenna, Rapid Stand, Rapid Launch Kit, and recovery kit. Ships in a Rapid Crate.
	11230-01	Wave Glider SV3 Block 3 (8 meter Umbilical) Rapid Stand & Crate	$395,000.00	Includes a high buoyancy float, Command & Control Unit (CCU) 4G, 75 watt solar panels, 8m umbilical, sub, Painted Thrudder 3.0 charge & debug kit, misc hardware, and Pelican case. Configurations includes Rapid Stand and Rapid Crate. Recovery device is not included.
	11230-50	Wave Glider SV3 Block 3 (8 meter Umbilical) Legacy Stand	$380,000.00	Includes a high buoyancy float, Command & Control Unit (CCU) 4G, 75 watt solar panels, 8m umbilical, sub, Painted Thrudder 3.0 charge & debug kit, misc hardware, and Pelican case. Ships in Wooden boxes and comes with a Legacy Stand / Saddle. Recovery Device not included.
	11230-51	Wave Glider SV3 Block 3 (8 meter Umbilical) WX & Cell, Legacy Stand	$390,000.00	Includes a high buoyancy float, Command & Control Unit (CCU) 4G, 75 watt solar panels, 8m umbilical, sub, Painted Thrudder 3.0 charge & debug kit, misc hardware, and Pelican case. Configurations includes a weather station (configurable lights), cell antenna and a recovery kit. Ships in Wooden boxes and comes with a Legacy Stand / Saddle.
	11230-02-99	Wave Glider SV3 Block 3 (8 meter Umbilical) WX & Cell, Rapid Stand & Crate - DISA Ready	$415,000.00	Includes a high buoyancy float, DISA Ready Command & Control Unit (CCU) 4G and Tracker, 75 watt solar panels, 8m umbilical, sub, Painted Thrudder 3.0 charge & debug kit, misc hardware, and Pelican case. Configurations includes a weather station (configurable lights), cell antenna, Rapid Stand, Rapid Launch Kit, and recovery kit. Ships in a Rapid Crate.
Wave Glider SV5 (Fully Configured)	13500-01	Wave Glider SV5 (8 meter Umbilical) WX & Cell	$655,000.00	Includes a SV5 Block 1 extra large capacity float, Command & Control Unit (CCU) 4G, 7 x 75 watt solar panels, 8m umbilical, SV3 sub, Painted Thrudder 3.0 charge & debug kit, misc hardware, and Pelican case. Configurations includes a weather station (configurable lights), cell antenna, and recovery kit.
	13500-01-99	Wave Glider SV5 (8 meter Umbilical) WX & Cell - DISA Ready	$665,000.00	Includes a SV5 Block 1 extra large capacity float, DISA Ready Command & Control Unit (CCU) 4G and Tracker, 7 x 75 watt solar panels, 8m umbilical, SV3 sub, Painted Thrudder 3.0 charge & debug kit, misc hardware, and Pelican case. Configurations includes a weather station (configurable lights), cell antenna, and recovery kit.

Product Type	Product Code	Product Name	List Price	Product Description
Wave Glider SV6 (Fully Configured)	13715-99	Wave Glider SV6 (8 meter Umbilical) WX & Cell – LRIP Unit	$1,312,500.00	Includes a SV6 Block 1 Low-Rate Initial Production (LRIP) system, including: DISA Ready Command & Control Unit (CCU) 4G and Tracker, SV6 solar panels, 8m umbilical, SV6 sub, SV6 Thrudder 1.0 charge & debug kit, misc hardware, and Pelican cases. Configurations includes a weather station (configurable lights), cell antenna, SV6 stand, SV6 shipping container, and recovery kit. Includes 18 kilowatthours (kWh) of onboard energy storage capacity. Ships in standard form factor container.
2. Wave Glider (Standard Hardware)				
Float	08060	Resilient Tracker	$4,900.00	An independently powered, self-contained satellite transceiver featuring independent dual GPS and Iridium patch antennas (9603N) so that in the event the surface expression is flipped over, the unit will continue to record its position. Cap, mounting hardware and foam insert not included.
	04454	Foam, 1MPU Spacer	$82.00	
	11943	Deck Cover 1MPU for additional mast points	$1,100.00	Reinforcement (G10) cover plate for the Deck Cover (1MPU) which provides additional mast mounting points. This plate is installed instead of the regular Deck cover.
	08060-99	Resilient Tracker (DISA Ready)	$8,300.00	An independently powered, self-contained DISA Ready satellite transceiver featuring independent dual GPS and Iridium patch antennas (9603N) so that in the event the surface expression is flipped over, the unit will continue to record its position. Cap, mounting hardware and foam insert not included.
	08012	SV3 Float Assembly, High Buoyancy	$85,575.00	Includes the motion isolator, the water speed sensor, the octopus cables, a full set of 1-Modular Payload Unit (1-MPU) foam spacers, and a resilient tracker.
	08628	Kit, Float Skeg	$680.00	Kit contains a float skeg, mounting hardware, and Loctite.
	09445	Kit, Payload Retention Clips	$180.00	A kit of twenty (20) payload retention clips required for a complete retrofit, plus two (2) spare clips for a total of twenty two (22) clips. Kit also includes two (2) inserts and insert tool needed to modify the fore end of the aft payload bay.
	09741	Kit, Motion Isolator Pin	$120.00	Kit includes motion isolator pin with mounting hardware.
	09729	Kit, Resilient Tracker Cover	$82.00	Kit includes cover with mounting hardware.
	09579	SV3 Foam, Water Speed	$300.00	
	10549	Kit, Water Speed Sensor	$2,300.00	Kit includes water speed sensor with mounting hardware.
	09818	Mast Mount, Stern	$385.00	Includes installation hardware . Provides one (1) mast mount. Requires float serial numbers 283 and greater. Does not include mast mounting hardware.
Umbilical	12006	Kit, Umbilical Mounting Hardware, Wave Glider Sub	$975.00	Kit includes locking plates, six (6) hex head screws, SAF-T-EZE, safety wire, four (4) nylock nuts, and four (4) cotter pins for motion isolator & center bale.
	13261-08	Wave Glider Umbilical Molded section, 8 meter	$39,500.00	Molded assembly (8 meter) for the Wave Glider v300 (Souriau). Upper, lower brackets along with the mounting hardware is not included.

Product Type	Product Code	Product Name	List Price	Product Description
	09883-08	Wave Glider 8 meter Umbilical with Wide U-joints	$52,500.00	Wave Glider (8 meter) umbilical with Wide U joints. This kit contains umbilical and hardware required spare the umbilical locking plate and bolts.
Sub	11379	Wave Glider Sub Quick Release Wing	$1,900.00	Wave Glider quick release wing. Wings shafts not included.
	11244	Wave Glider Sub Assembly	$93,975.00	Full sub assembly including the quick release wings and the necessary hardware to mount a thrudder and an umbilical onto the sub, less safety wire and loctite. Thrudder and umbilical not included.
	12008	Kit, Wave Glider, Thrudder Cable Fairing	$815.00	Kit contains thrudder cable cover fairing, mounting hardware, and loctite.
	09543	Wave Glider Wing Spring Set	$2,975.00	Kit of seven (6 + 1 extra) wing spring with mounting hardware for the Wave Glider sub.
Thrudder	11237	Thrudder 3.0	$52,500.00	Includes a full Thrudder 3.0 Copper Painted. Mounting hardware not included.
	12007	Kit, Thrudder 3.0 Mounting Hardware to a Wave Glider	$380.00	Kit includes mounting hardware and loctite to attach Thrudder 3.0 to the SV3 Block 2 sub.
	12010	Kit, Thrudder 3.0, Top Fairing	$525.00	Thrudder 3.0 replacement top fairing with mounting hardware and Loctite.
	12011	Kit, Thrudder 3.0, Bottom Fairing	$600.00	Thrudder 3.0 replacement bottom fairing with mounting hardware and Loctite.
	06863	Kit, Thruster Blades, Thrudder 1.0, 1.5, & 3.0	$525.00	Kit includes blades with mounting hardware.
	09546	Kit, Thruster Blades & Spinner, Thrudder 3.0	$975.00	Kit includes replacement blades and spinner with mounting hardware.
	09531	Kit, Thrudder 3.0, Fin	$1,050.00	Thrudder 3.0 replacement fin with mounting hardware and Loctite.
	09534	Kit, Thrudder 3.0, Top Fairing	$525.00	Thrudder 3.0 replacement top fairing with mounting hardware and Loctite.
	09536	Kit, Thrudder 3.0, Bottom Fairing	$600.00	Thrudder 3.0 replacement bottom fairing with mounting hardware and Loctite.
	09785	Kit, Thrudder 3.0 Mounting Hardware to a Wave Glider Sub	$380.00	Kit includes mounting hardware and loctite to attach Thrudder 3.0 to the Wave Glider sub.
	09552	RMA Kit, Thrudder 3.0	$750.00	Kit includes common RMA components for Thrudder 3.0. RMA or Maintenance Training Required.
Mast	13623-05	Wave Relay Radio Antenna, 1 meter mast, Souriau 2 meter cable	$7,500.00	This kit includes a Wave Relay Radio Antenna mounted on a 1 meter mast and equipped with a 2 meter Souriau RF connector.
	10054-07	Kit, GPS L1 Patch Antenna, Souriau RF, 3m Whip, 0.5m Mast	$3,900.00	Kit includes an antenna, mast, and mounting hardware, less Loctite.
	09470	Kit, Mast, Tapered, 1 inch ID x 1 m Length	$1,050.00	Kit includes a mast and mounting hardware, less Loctite.
	09469	Kit, Mast, Tapered, 1 inch ID x 0.5 m Length	$975.00	Kit includes a mast and mounting hardware, less Loctite.

Product Type	Product Code	Product Name	List Price	Product Description
	09638	Kit, Mast, Straight, OD 1.6 inches x 0.3 m Length	$975.00	Kit includes a mast and mounting hardware, less Loctite.
	09639	Kit, Mast, Straight, OD 1.6 inches x 0.8 m Length	$1,050.00	Kit includes a mast and mounting hardware, less Loctite.
	09468	Kit, Mast Mounting Hardware	$120.00	A set of five (5) plus one (1) spare hardware to attach a mast to the mast plate and stern mast mount. This kit does not include Loctite. Note, included with mast kits.
3. Compute & Power				
CCU	12392	CCU Upgrade Kit, v300 Block 1 to Block 2	$12,500.00	The upgrade incorporates a 4G cellular-enabled modem. Additionally, the CCU will be upgraded to accommodate the 75-watt high-efficiency solar panels (solar panels not included). The customer must return their existing Block 1 v300 CCU to the Liquid Robotics' Repair Depot once the order has been placed and accepted.
	14000	Command and Control Unit (CCU), SV3 Block 3 / SV5	$67,500.00	Command and Control Unit which handles all of the core electronics functions of the Wave Glider.
	14000-99	Command and Control Unit (CCU), SV3 Block 3 / SV5 (DISA Ready)	$71,500.00	DISA Ready Command and Control Unit which handles all of the core electronics functions of the Wave Glider.
	09960	Kit, Light Pipe, Command & Control Unit (CCU)	$150.00	Includes light pipe, and mounting hardware.
	09954	Kit, Pressure Port Installation (CCU)	$300.00	Includes pressure port installation hardware, tall pressure port cover with magnet, and mounting hardware.
Aux. Power Units	13303	Auxiliary Power Unit (APU) 2.0, Souriau	$14,500.00	1MPU equivalent APU 2.0. Includes expansion port cable (Souriau, 13-Pin, Male to Male, 1m). A Souriau #14 terminating dummy plug is included.
	14117	Auxiliary Power Unit (APU), 48V, Souriau, SV6	$19,000.00	5MPU equivalent APU for 48V architecture used in a Wave Glider SV6. Includes expansion port cable (Souriau, 13-Pin, Male to Male, 1m)
	09956	Kit, Power Plug Bulkhead Connector Installation, v100/200/300 APU	$490.00	Includes bulkhead connector, wiring harness, and installation hardware. Does not include the plug.
AMPS / PDC	07028	AMPS High Voltage Board	$2,835.00	A standalone AMPS High Voltage Printed Circuit Board Assembly (PCBA) used in Liquid Robotics' Payloads for integrator, specifically for sensor power regulation and management.
	07913	AMPS Board Removal Kit	$760.00	Kit includes a pair of AMPS board removal tools. This kit simplifies removal of AMPS boards from payload boxes.
	10406	Kit, AMPS Carrier, 3MPU	$1,375.00	Includes AMPS carrier, mounting hardware, spare standoffs, and Loctite.
	09746	PCBA, AMPS Bridge Module 3.0	$1,500.00	An AMPS Bridge Board interconnects and aggregates individual lithium cell batteries within the CCU assembly.
	09746-01	PCBA, AMPS Bridge Module 3.0 ? APU Variant	$1,500.00	An AMPS Bridge Board interconnects and aggregates individual lithium cell batteries within the APU assembly.

Product Type	Product Code	Product Name	List Price	Product Description
Solar Panel	11854	Kit, Solar Panel, 75 W	$7,500.00	Kit includes a 75 watt solar panel, two frameless hold-downs, and mounting hardware.
	14077	Kit, Solar Panel, 48V, 70W	$8,500.00	Kit includes a 70 watt 48V solar panel, two frameless hold-downs, and mounting hardware. Not cross-compatible with legacy AMPS power systems.
	09891	Kit, Frameless Solar Panel Hold-Downs	$245.00	Kit includes two frameless hold-downs, and mounting hardware.
4. Hardware Components				
Bulkhead Connectors	10215	Kit, Bulkhead Connector, Souriau, 9-Pin, Female (#10 Shell)	$950.00	This kit contains all of the parts necessary to install the bulkhead connector in an existing hole.
	10231	Kit, Bulkhead Debug Port Connector, Souriau, SMC, 13-Pin, Female (#14 Shell)	$1,300.00	This kit contains all of the parts necessary to install the bulkhead connector in an existing hole and connect it to the SMC.
	10216	Kit, Bulkhead Connector, Souriau, RF (#10 Shell)	$1,025.00	This kit contains all of the parts necessary to install the bulkhead connector in an existing hole.
	10213	Kit, Bulkhead Connector, Souriau, 13-Pin, Female (#14 Shell)	$1,100.00	This kit contains all of the parts necessary to install the bulkhead connector in an existing hole.
	10229	Kit, Bulkhead Expansion Port Connector, Souriau, 13-Pin, Female (#14 Shell)	$4,450.00	This kit contains all of the parts necessary to replace an expansion port connector with CAN and Ethernet SAMTEC connectors, and ferrules for V-Produce, V-Consumer, and Gnd.
Cables	07425-01	Cable, Souriau #14 Shell 13-Pin, 1m	$2,535.00	A 1-meter cable assembly designed for expansion and direct interconnection of various components, such as Auxiliary Power Units (APUs), to the primary CCU.
	07425-02	Cable, Souriau #14 Shell 13-Pin, 2m	$2,600.00	A 2-meter cable assembly designed for expansion and direct interconnection of various components, such as Auxiliary Power Units (APUs), to the primary CCU.
	10892-04	#14 Souriau 13-pin (M) 4 meter Cable Whip	$4,700.00	
	10893-04	#10 Souriau 9-pin (M) 4 meter Cable Whip	$1,510.00	A 4 meter whip cable with #10 Souriau 9 pin (Male) connector on one end
	07579-01	Cable, Souriau #10 Shell 9-Pin, 1m	$895.00	
	08228-06	Cable, Souriau #10 RF to #10 RF, 2.5m	$1,910.00	
	10892-02	#14 Souriau 13-pin (M) 2 meter Cable Whip	$4,400.00	

Product Type	Product Code	Product Name	List Price	Product Description
	10026-08	Cable, Souriau #10 Coax Plug (N Type Male) to LMR-240 Water Block, 4.6m	$3,630.00	
	08654	Kit, Charge & Debug, 13-Pin Male Souriau to DB9/RJ45/8Pin	$2,800.00	Kit includes a power charger, 120 VAC power cord, and charge & debug cable is 13 Pin Male Souriau to DB9/RJ45/8Pin, which allows communication with the Command & Control Unit.
	07579-02	Cable, Souriau #10 Shell 9-Pin, 2m	$895.00	
	09740	Kit, Cable, Octopus, SV3 v300	$9,390.00	Kit includes Octopus cable with mounting hardware, and Loctite.
	08227-04	Cable, Souriau #10 RF to SMA, 1.5m	$965.00	
	08227-05	Cable, Souriau #10 RF to SMA, 2m	$965.00	
	10489-05	Cable, Souriau #10 RF to TNC-Male, 2m	$965.00	
	10489-07	Cable, Souriau #10 RF to TNC-Male, 3m	$965.00	
	10490-06	Cable, Souriau #10 RF to TNC-Female, 2.5m	$965.00	
	10490-07	Cable, Souriau #10 RF to TNC-Female, 3m	$965.00	
	10489-04	Cable, Souriau #10 RF to TNC-Male, 1.5m	$965.00	
	10490-04	Cable, Souriau #10 RF to TNC-Female, 1.5m	$965.00	
	10490-05	Cable, Souriau #10 RF to TNC-Female, 2m	$965.00	
	10489-06	Cable, Souriau #10 RF to TNC-Male, 2.5m	$965.00	
	08228-05	Cable, Souriau #10 RF to #10 RF, 2m	$1,250.00	Souriau 2 meter cable (LMR240-DB, 2m). Both ends waterproofed
	08228-07	Cable, Souriau #10 RF to #10 RF, 3m	$1,910.00	Souriau 3 meter cable (LMR240-DB, 3m). Both ends waterproofed
	08228-04	Cable, Souriau #10 RF to #10 RF, 1.5m	$1,235.00	
	08227-07	Cable, Souriau #10 RF to SMA, 3m	$965.00	
Dummy Plugs / Fasteners	00068	Insert, Self Tapping, Titanium M5	$12.00	Minimum order quantity: 10 RMA or Maintenance Training Required.
	09339	Kit, Dummy Plug, Souriau, #10 Shell, Receptacle	$85.00	This kit contains all of the parts necessary to install a dummy plug into an existing bulkhead connector. BER10PLY equivalent.

Product Type	Product Code	Product Name	List Price	Product Description
	09340	Kit, Dummy Plug, Souriau, #14 Shell, Receptacle	$91.00	This kit contains all of the parts necessary to install a dummy plug into an existing bulkhead connector. BER14PLY equivalent.
Lightbar	11045	Kit, Programmable Light Bar	$2,950.00	Replacement programmable light bar with cable.
	09471	Kit, Mast, Tapered, ID 1 inch x 1 meter, Lightbar Cutout	$1,220.00	Kit includes a mast and mounting hardware, less Loctite.
	09169	Kit, Light Bar, 1 inch ID Mast, Souriau	$2,950.00	Replacement light bar with cable.
5. Sensors				
ADCP	04259	Bracket, ADCP	$382.00	
	12938	Wave Glider 300 kHz ADCP with Bottom Tracker	$38,500.00	Kit includes a Teledyne Workhorse II Monitor 300kHz Acoustic Doppler Current Profiler (ADCP), hardware to mount it, and SMC sensor management software and configurations. A Liquid Robotics SMC Integrated Payload is required and not included.
	12939	Wave Glider 600 kHz ADCP with Bottom Tracker	$38,500.00	Kit includes a Teledyne Workhorse II Monitor 600kHz Acoustic Doppler Current Profiler (ADCP), hardware to mount it, and SMC sensor management software and configurations. A Liquid Robotics SMC Integrated Payload is required and not included.
	09303	ADCP Fiberglass Cutout with Foam	$705.00	
CTD	11868-02	Kit, Seabird Glider Payload CTD, Skeg Mount, Souriau Bulkhead, 2 meter Cable	$24,415.00	Kit includes the hardware required to Skeg mount a Seabird Glider Payload CTD sensor, 2 meter cable. Necessary SMC sensor management software and configurations is also included. A Liquid Robotics SMC Integrated Payload is required and not included.
	11868-03	Kit, Seabird Glider Payload CTD, Skeg Mount, Souriau Bulkhead, 2.5 meter Cable	$24,415.00	Kit includes the hardware required to Skeg mount a Seabird Glider Payload CTD sensor, 2.5 meter cable. Necessary SMC sensor management software and configurations is also included. A Liquid Robotics SMC Integrated Payload is required and not included.
	11868-05	Kit, Seabird Glider Payload CTD and Dissolved Oxygen, Skeg Mount, Souriau Bulkhead, 2 meter Cable	$31,635.00	Kit includes the hardware required to Skeg mount a Seabird Glider Payload CTD and SBE 43F Dissolved Oxygen sensor, 2 meter cable. Necessary SMC sensor management software and configurations is also included. A Liquid Robotics SMC Integrated Payload is required and not included.
	10319	Glider Payload, CTD, Plastic, 350dBar, Fast Pump	$16,800.00	Seabird Glider Payload CTD (350 db sensor).
	13566-01	Kit, Seabird Glider Payload CTD [not included], Skeg Mount, Souriau Bulkhead, 1 meter Cable	$12,800.00	Kit includes the hardware required to mount a Seabird Glider CTD sensor to a Wave Glider skeg, and SMC sensor management software and configurations. A Liquid Robotics SMC Integrated Payload, the Payload-to-CTD cable, and the sensors are required and not included.

Product Type	Product Code	Product Name	List Price	Product Description
	13566-02	Kit, Seabird Glider Payload CTD [not included], Skeg Mount, Souriau Bulkhead, 2 meter Cable	$12,800.00	Kit includes the hardware required to mount a Seabird Glider CTD sensor to a Wave Glider skeg, and SMC sensor management software and configurations. A Liquid Robotics SMC Integrated Payload, the Payload-to-CTD cable, and the sensors are required and not included.
	13566-03	Kit, Seabird Glider Payload CTD [not included], Skeg Mount, Souriau Bulkhead, 2.5 meter Cable	$12,800.00	Kit includes the hardware required to mount a Seabird Glider CTD sensor to a Wave Glider skeg, and SMC sensor management software and configurations. A Liquid Robotics SMC Integrated Payload, the Payload-to-CTD cable, and the sensors are required and not included.
	10319-01	Seabird Glider Payload CTD (350 db sensor) +DO	$20,000.00	Seabird Glider Payload CTD (350 db sensor) plus Dissolved Oxygen
	09450	Kit, Seabird Glider Payload CTD and Dissolved Oxygen, Sub Mount	$26,000.00	Kit includes the hardware required to mount a Seabird Glider Payload CTD and SBE 43F Dissolved Oxygen sensor to the Wave Glider sub, and the necessary SMC sensor management software and configurations. A Liquid Robotics SMC Integrated Payload is required and not included.
	09449	Kit, Seabird Glider Payload CTD, Wave Glider Sub Mount	$24,000.00	Kit includes the hardware required to mount a Seabird Glider Payload CTD to the Wave Glider sub, and the necessary SMC1 sensor management software and configurations. A Liquid Robotics SMC Integrated Payload is required and not included.
	09446	Kit, Mounting Hardware, Seabird Glider Payload CTD [not included] and Dissolved Oxygen [not included], Sub	$12,800.00	Kit includes the hardware required to mount a Seabird Glider Payload CTD and SBE 43F Dissolved Oxygen sensor to the Wave Glider sub, and the necessary SMC sensor management software and configurations. A Liquid Robotics SMC2 Integrated Payload, the Thrudder-to-CTD cable, and the sensors are required and not included.
	10750	Kit, Mounting Hardware, Seabird Glider Payload CTD [not included] and Dissolved Oxygen [not included], Float Mount, Souriau Bulkhead	$12,800.00	Kit includes the hardware required to mount a Seabird Glider Payload CTD and SBE 43F Dissolved Oxygen sensor to the Wave Glider float, and SMC sensor management software and configurations. A Liquid Robotics SMC Integrated Payload, the Payload-to-CTD cable, and the sensors are required and not included.
	10752	Kit, Seabird Glider Payload CTD and Dissolved Oxygen, Float Mount, Souriau Bulkhead	$30,000.00	Kit includes the hardware required to mount a Seabird Glider Payload CTD and SBE 43F Dissolved Oxygen sensor to the Wave Glider float, and the necessary SMC sensor management software and configurations. A Liquid Robotics SMC Integrated Payload is required and not included.
	10751	Kit, Seabird Glider Payload CTD, Float Mount, Souriau Bulkhead	$24,000.00	Kit includes the hardware required to mount a Seabird Glider Payload CTD to the Wave Glider float, and the necessary SMC sensor management software and configurations. A Liquid Robotics SMC Integrated Payload is required and not included.
Fluorometry	01385-01	Turner C3 Fluorometer (Ref Fuels, CDOM, Turbidity)	$11,400.00	Sensor only. Ch1: Refined Fuels Ch2: CDOM Ch3: Turbidity

Product Type	Product Code	Product Name	List Price	Product Description
	01385-02	Turner C3 Fluorometer (Ref Fuels, Crude Oil, CHLOROPHYLL A)	$12,300.00	Sensor only. Ch1: Refined Fuels Ch2: Crude Oil Ch3: CHLOROPHYLL A
	01385-03	Turner C3 Fluorometer (CHL-A, Crude Oil, Turbidity)	$7,300.00	Sensor only. Ch1: CHL-A Ch2: Crude Oil Ch3: Turbidity
	01385-04	Turner C3 Fluorometer (CHL-A, Turbidity, CDOM)	$7,300.00	Sensor only. Ch1: CHL-A Ch2: Turbidity Ch3: CDOM
	01385-05	Turner C3 Fluorometer (CHL-Red, Turbidity, Phycoerythrin)	$9,600.00	Sensor only. Ch1: CHL-Red Ch2: Turbidity Ch3: Phycoerythrin
	01385-10	Turner C3 Fluorometer (Chlorophyll A, Phycoerythrin, Refined fuels)	$9,800.00	Sensor only. Ch1: Chlorophyll A Ch2: Phycoerythrin Ch3: Refined fuels
	01385-09	Turner C3 Fluorometer (Chlorophyll A, Tryptophan, CDOM)	$9,000.00	Sensor only. Ch1: Chlorophyll A Ch2: Tryptophan Ch3: CDOM
	01385-08	Turner C3 Fluorometer (Chlorophyll A, Refined fuels, CDOM)	$10,700.00	Sensor only. Ch1: Chlorophyll A Ch2: Refined fuels Ch3: CDOM
	10753-04	Kit, Turner C3 Fluorometer (CHL-A, Turbidity, CDOM), Float Mount, Souriau Bulkhead	$49,500.00	Kit includes a Turner C3 Fluorometer, hardware to mount the sensor, and the SMC sensor management software and configurations. Kit occupies two (2) Modular Payload Unit (MPU) bays and requires modification to the float. A Liquid Robotics SMC Integrated Payload is required and not included. Ch1: CHL-A Ch2: Turbidity Ch3: CDOM
	10753	Kit, Mounting Hardware, Turner C3 Fluorometer [not included], Float Mount, Souriau Bulkhead	$23,800.00	Kit includes a hardware to mount a Turner C3 Fluorometer, and the SMC sensor management software and configurations. Kit occupies two (2) Modular Payload Unit (MPU) bays and requires modification to the float. A Liquid Robotics SMC Integrated Payload is required and not included.
	10753-03	Kit, Turner C3 Fluorometer (CHL-A, Crude Oil, Turbidity), Float Mount, Souriau Bulkhead	$49,500.00	Kit includes a Turner C3 Fluorometer, hardware to mount the sensor, and the SMC sensor management software and configurations. Kit occupies two (2) Modular Payload Unit (MPU) bays and requires modification to the float. A Liquid Robotics SMC Integrated Payload is required and not included. Ch1: CHL-A Ch2: Crude Oil Ch3: Turbidity
Wave Height	10063	Kit, GPSWaves-IMU (GX5-45), Robust, Souriau 9-Pin connectors, 0.5m Mast, SMC	$10,600.00	Kit includes GPSWaves-IMU hardware in a robust enclosure, mast, mounting hardware, and necessary SMC sensor management software and configurations for the GPSWaves-IMU, utilizing a 3DM-GX IMU. Does not include the required Liquid Robotics SMC Integrated Payload for the GPSWaves-IMU.
Weather Station	11047	Visibility Mast and Airmar 200WX Weather Station	$7,750.00	Includes a configurable Light bar, Airmar 200WX weather station, and 1 meter mast with fairing and Souriau connectors for a Wave Glider

Product Type	Product Code	Product Name	List Price	Product Description
	09772	Kit, Airmar 200WX Weather Station	$2,300.00	Kit includes Airmar 200WX weather station, thread seal (for mast mount), and sealing tape (for cable). Cable and mast are not included.
6. Payloads				
Payloads	08571	Kit of 3 Spare Tube Couplers for Use with Pressure Port Fill Valve	$49.00	Kit of 3 spare tube coupler valves for use with pressures port fill valve on MPU, CCU, APU.
	10512	1MPU Payload O-Ring	$44.00	Replacement O-Ring used to seal to perimeter of a 1-Modular Payload Unit (1-MPU) box
	09953	Kit, Pressure Port Installation	$275.00	Includes pressure port installation hardware, pressure port cover without magnet, and mounting hardware.
	13505	Payload For Integrators, 1MPU SMC 3.0, Souriau	$11,900.00	This is the Integrator 1MPU SMC 3.0 solution with Souriau bulkhead connectors. It contains a SMC 3.0 kit, AMPS subassembly, and high voltage board. Expansion port and debug cables are not included.
	13918	Kit, Mounting Hardware for CFE Starlink / Starshield Mini SV3/SV5/SV6 (Prototype)	$10,000.00	This kit is offered for customer self-installation on customer owned Wave Gliders. This is mounting kit only, does not include Starlink/Starshield Mini. This kit is in prototype release.
	13505-ROM	Liquid Robotics Integrated Payload, 1MPU SMC 3.0, Souriau	$13,000.00	This is the Integrator 1MPU SMC 3.0 solution with Souriau bulkhead connectors. It contains a SMC 3.0 kit, AMPS subassembly, and high voltage board. Expansion port and debug cables are not included. A Purchase Order cannot be accepted with this part number.
	13506-ROM	Liquid Robotics Integrated Payload, 3MPU SMC 3.0, Souriau	$14,600.00	This is the Integrator 3MPU SMC 3.0 solution with Souriau bulkhead connectors. It contains a SMC 3.0 kit, AMPS subassembly, and high voltage board. Expansion port and debug cables are not included. A Purchase Order cannot be accepted with this part number.
	13506	Payload For Integrators, 3MPU SMC 3.0, Souriau	$13,400.00	This is the Integrator 3MPU SMC 3.0 solution with Souriau bulkhead connectors. It contains a SMC 3.0 kit, AMPS subassembly, and high voltage board. Expansion port and debug cables are not included.
	13978	Wave Glider Acoustic Mesh Communications Kit	$87,290.00	Kit includes the Hydronet modem integrated into a Liquid Robotics 1MPU, associated connection cables, and a transducer mounted in a float mounted skeg.
	10519	Liquid Robotics Integrated Comms Payload, 1MPU AMPS/RUDICS/WRR	$87,500.00	This is a Liquid Robotics Integrated 1MPU Comms Payload Power, RUDICS and Wave Relay Radio (AMPS/RUDICS/WRR). The payload is Souriau connector based and is used in the SV3 v300
	10560	Wave Relay Radio MPU5 Battery	$980.00	"Includes a WRR MPU5 Battery. BAT-06 NSN: 6140-01-658-8866"
	13992	Liquid Robotics 3MPU Payload, Certus 100	$25,000.00	This is a Liquid Robotics 3MPU Payload box equipped with a Iridium Certus 100
	13506-01	Liquid Robotics Integrated Payload, 3MPU SMC 3.0, Souriau (ADCP,GPSWaves,Float & Winch CTD+DO)	$14,600.00	This is the Integrator 3MPU SMC 3.0 solution with Souriau bulkhead connectors for ADCP, GPSWaves, Float & Winch CTD+DO sensor suite. It contains a SMC 3.0 kit, AMPS subassembly, and high voltage board. Expansion port and debug cables are not included.

Product Type	Product Code	Product Name	List Price	Product Description
	05057	3MPU O-Ring	$44.00	Replacement O-Ring used to seal to perimeter of a 3-Modular Payload Unit (3-MPU) box.
	10019	AMPS Payload, 3MPU, Souriau	$5,100.00	This sub-assembly includes the box and 3MPU AMPS backplane, PDC, & Bridge with a Souriau bulkhead connector.
	08887	AMPS Payload, 1MPU, Souriau	$4,000.00	This sub-assembly includes the box and 1MPU AMPS backplane, PDC, & Bridge with a Souriau bulkhead connector.
	06019	Empty Payload, 3MPU	$2,175.00	Includes lid, tub, slides, o-ring, handle, pressure port, and associated miscellaneous hardware.
	06323	Empty Payload, 1MPU	$1,375.00	Includes lid, tub, slides, o-ring, handle, and pressure port.
	10180	Kit, Drill Jig, 1MPU & 3MPU	$2,750.00	Includes jigs for 1MPU & 3MPU, and hardware necessary to properly drill holes for bulkhead connectors.
	10629-01	1MPU Souriau Payload, S-Band mesh radio (Wave Relay)	$33,580.00	1 Modular Payload Unit (1MPU) Souriau payload box housing an embedded S-Band mesh radio (Wave Relay) with three (3) external antenna ports. Power, Ethernet and control are supplied via an Expansion Port cable. Expansion port cable is not included.
Maritime Domain Awareness	13413	Maritime Domain Awareness ACINT Kit SV3 v300	$123,600.00	The Maritime Domain Awareness kit includes the hardware and software required for the collection and tracking of acoustic signals, utilizing a towed passive USSI acoustic sensing payload integrated into a tow body. The kit includes a Waves rugged GPS mast, a 1MPU SMC Integrated Payload, a tow cable kit with the associated mounting brackets, a tow body with a USSI passive acoustic sensor and a ACINT software plug-in.
7. Communications				
AIS	13284	External AIS Antenna with 1/2 meter mast	$7,500.00	This is an external AIS antenna kit mounted on a 1/2 (0.5)-meter mast intended for installation on the deck of the Wave Glider. The AIS antenna mast is designed to connect directly to the Control and Communication Unit (CCU)..
	13858	CCU Upgrade kit for External AIS Antenna with 1/2 meter mast	$9,000.00	A CCU Update kit for an external AIS antenna kit mounted on a 1/2 (0.5)-meter mast intended for installation on the deck of the Wave Glider.
	04192	Kit, AIS Antenna	$82.00	Kit includes an Automatic Identification System (AIS) Antenna and dielectric grease.
	10032	Kit, AIS Locking Cover	$92.00	Kit includes an Automatic Identification System (AIS) Antenna's locking cover & screw, and dielectric grease. AIS Antenna not included.
	10044	Kit, AIS Antenna & Locking Cover	$120.00	Kit includes an Automatic Identification System (AIS) Antenna, locking cover & screw, and dielectric grease.
Antennas	09300	GPS L1 Patch Antenna, Serial output, Souriau #10 9-Pin Male Connector	$2,750.00	Does not include mast.

Product Type	Product Code	Product Name	List Price	Product Description
	10054-03	Kit, GPS L1 Patch Antenna, Souriau #10 RF, 1.25m Whip, 0.5m Mast	$3,900.00	Whip length is non-standard. Kit includes an antenna, mast, and mounting hardware, less Loctite.
	10054-05	Kit, GPS L1 Patch Antenna, Souriau #10 RF, 2m Whip, 0.5m Mast	$3,900.00	Kit includes an antenna, mast, and mounting hardware, less Loctite.
	10036-05	Iridium Patch Antenna, Souriau #10 RF, 2m Whip	$2,450.00	Does not include mast.
	10040-05	Kit, Iridium Patch Antenna, Souriau #10 RF, 2m Whip, 0.5m Mast	$3,100.00	Kit includes an antenna, mast, and mounting hardware, less Loctite.
	10057	Kit, Cell Antenna, Robust, Souriau #10 RF, 1.25m Whip, 0.5m Mast	$3,375.00	Kit includes an antenna, mast, and mounting hardware.
Iridium	13419-01	Kit, Iridium RUDICS (Souriau #10 RF Bulkhead) - 1MPU	$7,000.00	Kit includes the hardware for Iridium RUDICS to include a modem, mast-mounted antenna, and the required miscellaneous hardware for usage with a 1MPU SMC Integrator Payload. The SMC sensor management software and configurations are included as well. Payload for Integrators needs to be purchased separately.
	13419-02	Kit, Iridium RUDICS (Souriau #10 RF Bulkhead) - 3MPU	$7,000.00	Kit includes the hardware for Iridium RUDICS to include a modem, mast-mounted antenna, and the required miscellaneous hardware for usage with a 3MPU SMC Integrator Payload. The SMC sensor management software and configurations are included as well. Payload for Integrators needs to be purchased separately.
	10547	DISA Ready Upgrade, Resilient Tracker	$3,215.00	Upgrade that allows the resilient tracker to be properly set-up to allow connection to DISA network.
	10548	DISA Ready Upgrade, Command & Control Unit	$3,215.00	Upgrade that allows the Iridium Short Burst Data modem to be properly set-up to allow connection to DISA network.
8. Command & Operate				
WGMS	08358	WGMS (Wave Glider Management System) Annual	$15,000.00	Provides right to use WGMS, delivered by Liquid Robotics as a hosted service for mission management of one commercial Wave Glider for one year.
9. Services				
Labor	11015-02	Engineering Services	$335.00	Liquid Robotics Engineering personnel are contracted on a per hour, fee for service basis. A mutually agreed to Statement of Work must be completed and signed by Liquid Robotics and the End Customer before Liquid Robotics personnel can be scheduled for work. Services must be utilized within the period of performance as defined in the statement of work.

Product Type	Product Code	Product Name	List Price	Product Description
	11016-01	Field Mission Operations	$335.00	Liquid Robotics Field Mission Operations personnel are contracted on a per hour, fee for service basis. A mutually agreed to Statement of Work must be completed and signed by Liquid Robotics and the End Customer before Liquid Robotics personnel can be scheduled for work. This does not include engineering or design services. Services must be utilized within the period of performance as defined in the statement of work.
	09786	Program Management, Hourly	$335.00	Liquid Robotics Program Management personnel are contracted on a per hour, fee for service basis. A mutually agreed to Statement of Work must be completed and signed by Liquid Robotics and the End Customer before Liquid Robotics personnel can be scheduled for work. This does not include engineering or design services. Services must be utilized within the period of performance as defined in the statement of work.
	04068	Depot Repair, Hourly	$335.00	This service is the hourly rate for labor provided by Liquid Robotics during regular business hours (8am-5pm PST) for customers whose warranty has expired.
Mission & Support Services	13632	Operational Risk Assessment	$3,000.00	Development of an Operational Risk Assessment tailored to specific customer operations. The assessment includes a comprehensive analysis of environmental risks and is required to be purchased in conjunction with the LR supported piloting days. A previously approved and implemented Mission Plan is necessary prior to acquiring an Operational Risk Assessment. ORA services must be utilized within one calendar year from the date of purchase.
	00677	Piloting Services (1 Day- 1 Wave Glider - 24 Hours)	$365.00	The Liquid Robotics Operations Center is staffed 24/7/365. Provided on a per-day, per Wave Glider basis, the LRI Piloting Service includes execution of the mission plan via the WGMS (Wave Glider Management System), monitoring of the Wave Glider, course changes, obstacle avoidance, alarm response, and coordination with in-field personnel during operations. The Operations Center can serve as Incident Command if required. Standard Mission Planning must be purchased along with this service. Services must be utilized within one calendar year of purchase.
	00674	Standard Mission Planning	$10,300.00	Construction of mission plan for specific customer operation. Includes full analysis of environmental risk assessment (ORA), power management and summary report of expected performance. Setup of custom organization for customer login is done in Wave Glider Management System (WGMS) if required. Mission Planning services must be utilized within one calendar year of purchase
	09789	Shipping Charges	Quote	Estimate provided on quotes.
	09788	Travel Expenses	Quote	This item is for Liquid Robotics' incurred travel expenses. Must include Statement of Work.

Product Type	Product Code	Product Name	List Price	Product Description
Training	14073	Operational and Maintenance Training Bundle	$7,800.00	A five-day training program will be held at the Liquid Robotics Marine Operations Center in Hawaii. This program is designed for a minimum of five (5) attendees and a maximum of six (6) attendees, with pricing on a per-seat basis. This comprehensive training session is designed to equip participants with the necessary skills to conduct routine maintenance and effectively operate the Wave Gliders, ensuring optimal functionality of the platform(s). Participants will learn routine maintenance procedures, troubleshooting complex mechanical and electrical systems, and proficiency in computer usage related to operations. Additionally, the curriculum will cover setting courses, launching and recovering the platform, and executing successful missions while minimizing operational liabilities.
	09594	Wave Glider Maintenance Training	$3,900.00	A three-day training program will be held at the Liquid Robotics Marine Operations Center in Hawaii. This program is designed for a minimum of six (6) attendees and a maximum of eight (8) attendees, with pricing on a per-seat basis. This training session is designed to equip participants with the necessary skills to conduct routine maintenance on the Wave Gliders, ensuring optimal functionality of the platform(s). Participants should possess relevant qualifications, including experience in the launch and recovery of marine equipment, proficiency in troubleshooting complex mechanical and electrical systems, and competency in computer usage.
	09592	Wave Glider Operator Training	$3,900.00	A three-day training program conducted at the Liquid Robotics Marine Operations Center in Hawaii, accommodating a minimum of five (5) participants and a maximum of six (6) participants, with pricing determined on a per-seat basis. This training is designed to provide participants with the necessary skills and knowledge to effectively operate the Wave Gliders. The curriculum will include setting courses, launching and recovering the platform and executing successful missions while minimizing operational liabilities.

Product Type	Product Code	Product Name	List Price	Product Description
10. Leases				
System Lease	13713-01	Towed Array Wave Glider Lease – Fully Mission Capable	$5,100.00	Contractor-owned, contractor-operated (COCO) daily lease rate for an SV3 Wave Glider system configured with a towed array payload and operationally available to the Customer. A Statement of Work (SOW), bilaterally executed by Liquid Robotics and Customer, is required before Liquid Robotics equipment and/or personnel can be scheduled for work, and will also mutually define the operationally available state of the system. Services must be utilized within the period of performance as defined in the statement of work.
	13714-01	DIFAR Wave Glider Lease – Fully Mission Capable	$2,500.00	Contractor-owned, contractor-operated (COCO) daily lease rate for an SV3 Wave Glider system configured with a DIFAR payload and operationally available to the Customer. A Statement of Work (SOW), bilaterally executed by Liquid Robotics and Customer, is required before Liquid Robotics equipment and/or personnel can be scheduled for work, and will also mutually define the operationally available state of the system. Services must be utilized within the period of performance as defined in the statement of work.
	13713-02	Towed Array Wave Glider Lease – Non Mission Capable	$1,000.00	Contractor-owned, contractor-operated (COCO) daily lease rate for an SV3 Wave Glider system configured with a towed array payload and not operationally available to the Customer for any reason. A Statement of Work (SOW), bilaterally executed by Liquid Robotics and Customer, is required before Liquid Robotics equipment and/or personnel can be scheduled for work, and will also mutually define the operationally available state of the system. Services must be utilized within the period of performance as defined in the statement of work.
	13714-02	DIFAR Wave Glider Lease – Non Mission Capable	$1,000.00	Contractor-owned, contractor-operated (COCO) daily lease rate for an SV3 Wave Glider system configured with a DIFAR payload and not operationally available to the Customer for any reason. A Statement of Work (SOW), bilaterally executed by Liquid Robotics and Customer, is required before Liquid Robotics equipment and/or personnel can be scheduled for work, and will also mutually define the operationally available state of the system. Services must be utilized within the period of performance as defined in the statement of work.

Product Type	Product Code	Product Name	List Price	Product Description
	13747	Communications Gateway and RF Detect Wave	$2,500.00	Contractor-owned, contractor-operated (COCO) daily lease rate for an SV3 Wave Glider system configured with a communications gateway payload and a RF surface detect payload.A mutually agreed to Statement of Work must be completed and signed by Liquid Robotics and the End Customer before Liquid Robotics equipment and/or personnel can be scheduled for work, and will also mutually define the operationally available state of the system. Services must be utilized within the period of performance as defined in the statement of work.
	13748	Intransit Wave Glider	$250.00	Daily lease rate for a contractor-owned, contractor operated (COCO) SV3 Wave Glider when transit to a COCO site is longer than 30 days.
11. Servicing Hardware				
Maintenance	12532	Kit, Preventative Maintenance, 12 and 36 months	$3,950.00	Kit, SV3 v300 12- & 36-Month Sea Time Preventative Maintenance. Includes CCU O-Ring, Umbilical Wear Components, the v300 Consumables Kit, Launch Wedges and soft launch / recovery straps.
	12533	Kit, Preventative Maintenance, 24 and 48 months	$51,500.00	Kit, SV3 v300 24- & 48- Month Sea Time Preventative Maintenance. This kit includes a molded section of an umbilical. Also includes CCU O-Ring, Umbilical Wear Components, the v300 Consumables Kit, Launch Wedges, Connector Dust Caps, Wing Spring and Stop Hardware, Motion Isolator Hardware, a Propeller Blade Set and Float Skeg, soft launch / recovery straps.
	14040	Kit, Preventative Maintenance SV5, 24 and 48 months	$59,500.00	Kit, SV5 24- & 48-month sea time preventative maintenance. Includes Command & Control Unit (CCU) O-Ring, an umbilical, umbilical wear components, the consumables kit, launch wedges and soft launch / recovery straps.
	14578	Kit, Preventative Maintenance SV5, 12 and 36 months	$18,000.00	Kit, SV5 12- & 36-month sea time preventative maintenance. Includes Command & Control Unit (CCU) O-Ring, umbilical wear components, the consumables kit, launch wedges and soft launch / recovery straps.
Launch & Recovery	01838	Mooring Hook	$115.00	Requires boat hook with mooring hook holder or standalone mooring hook holder. Proof load tested to 4,000lbs.
	05351	Kit, Recovery	$3,550.00	Includes the Sub recovery mechanism, lifting strap, and hook.
	05768	Heavy-Duty Telescoping Boat Hook with Mooring Hook Holder	$115.00	Capable of being extended from 6' to 14' to retrieve moorings or to pick up overhead items. Construction features oversized anodized-aluminum tubes for greater strength and stiffness. The co-molded, soft-tipped hook prevents scratches while fending off. Twist grips enable easy length adjustments. A Mooring hook holder has been mounted to the hook. Mooring hook not included.
	10777	Assembly, Launch Bridle, Rapid Stand	$2,400.00	Assembly for launching/lifting the rapid stand with integrated 3rd leg release.

Product Type	Product Code	Product Name	List Price	Product Description
	10529	Kit, Recovery Buoy Release	$2,175.00	Includes recovery buoy release assembly, and mounting hardware. Recovery buoy, and recovery line are not included.
	10583	Kit, Rapid Stand & Rapid Stand Launch Kit, Soft Gear	$1,200.00	Includes soft gear for Rapid Stand and Rapid Stand Launch Kit: float strap, sub strap, launch bridle, and release line.
Stands and Crates	09519	Kit, Shipping, Stand, Legacy, SV3 High Buoyancy Float	$10,000.00	Kit contains a shipping crate, stand (consisting of a cart and saddle for a high buoyancy float), two (2) endless ratcheting straps, and two (2) ratcheting straps with hooks.
	09056	Wave Glider SV3 Rapid Stand Saddle	$12,000.00	Saddle Assembly for the Liquid Robotics Wave Glider SV3 Rapid Stand
	08029	Kit, L-Drop Sub Cutout Conversion, Legacy Stand	$190.00	Kit contains the L-drop sub cutout for the SV3 cart.
	09358	Rapid Crate	$9,750.00	Shipping crate for a Rapid Stand.
	09100	Rapid Stand	$23,800.00	Includes saddle and cart. Does not include Rapid Launch Kit, Recovery Kit, or Tow Body Conversion Kit.
	09359	Kit, Load rated replacement straps for Rapid Stand	$2,300.00	Load rated replacement straps for the SV3 Rapid Stand.
	10470	Kit, Third Leg Release Upgrade, Rapid Stand	$2,975.00	Upgraded Third Leg release for the SV3 Rapid Stand.
Spares	11538	Wave Glider Most Common Hardware Items (Consumables)	$300.00	Most common screws, washers, cotter pins, safety wire, dow corning grease and other consumable items for a Wave Glider
	10828	Wing Shaft, Quick Release	$152.00	Single quick release wing shaft for Wave Glider sub.
	08791	Wave Glider Motion Isolator Spring (Elastomer)	$245.00	Motion Isolator Spring (Elastomer) for Wave Glider. This item should be purchased together with Kit, Umbilical Mounting Hardware (PN: 09882).
	10143	Wave Glider SV3 Miscellaneous (Consumables)	$7,600.00	Miscellaneous parts for the Wave Glider (consumables); including charger / debug kit, screws, washers, Loctites grease. Pelican case (1550) is included.
12. Integration Enablers				
Developer Kits	08690	Commonly Used Developer Parts Kit	$10,850.00	Includes one (1) 1 meter & one (1) 2 meter expansion cable; two (2) expansion port bulkhead expansion ports; one (1) and 3 Module Payload unit (3MPU) drill kit; power charger and debug cable; two (2) 1/2 meter masts, two (2) sealed SMA connectors; two (2) SMA-SMA 1.7 meter coax cables; 9 taper head cap screws M5x25 mm titanium; flat washers M5 titanium; split lock washers M5 titanium; self tapping inserts M5 titanium
	08689	Development Kit	$75,000.00	This kit is the functional equivalent of a Wave Glider used for desktop development. It includes a Command and Control box, Thrudder electronics housing, expansion cables to act as the umbilical and tow cable and a debug cable.
Tow Cables and Tow Bodies	09587	Kit, Tow Cable, L-drop, Wave Glider Sub, Souriau	$22,200.00	L-Drop Tow Cable including mounting brackets for the Wave Glider Sub. 13-pin Souriau to 13-pin Souriau.

Product Type	Product Code	Product Name	List Price	Product Description
	09880	Kit, Tow Cable Install Hardware, Wave Glider Sub Mount	$595.00	Includes two (2) pivot plates, four (4) hex head screws, safety wire, and Loctite.
	10468	Tow Body for Integrators (Empty), 200m Rated, Souriau	$17,850.00	Contains a standalone tow body with a moonpool opening for mounting a subsea sensor and an bulkhead kit for integrators with a Souriau bulkhead connector, allowing proper configuration to custom sensor kits. Tow cable (Souriau) not included.
Winch	11469	Winch Hammock Rapid Stand kit	$1,200.00	Winch Hammock Rapid Stand kit. Replacement parts of an existing hammock for repair or annual maintenance.
	09730	Winch 150P	$141,250.00	Includes winch (line & sinker), 1.4 meter Souriau 13-Pin cable, and mounting hardware for a Wave Glider.
	09148	Casting wire & Snubber, Winch 150P	$17,900.00	Replacement casting wire and snubber for the Winch 150P.
	11867	Kit, KraitArray Tow Cable on Winch, Straight, 200m Rated, Souriau	$30,000.00	Kit includes a 200m rated straight tow cable and the mounting brackets for the winch. Not sub-compatible.
